Major General James C. Jensen, Commander
 Headquarters, Alaskan Air Command
 APO 962
 Seattle, Washington

Dear General Jensen:

It is with great pleasure that I command [redacted]
 USAF, presently assigned to your command. [redacted]
 was on detail to the Central Intelligence Agency
 from July 1960 to July 1964 and performed his duties in a suc-
 ceeded outstanding manner. He demonstrated exceptional
 managerial and staff officer qualities. His extensive knowledge
 and skills contributed immeasurably to his outstanding perform-
 ance in a capacity comparable to the chief of staff of a military
 headquarters.

In the position he occupied, he prepared several studies
 having important and far-reaching economic and logistical
 aspects which contributed substantially to the successful accom-
 plishment of major operations. He set, and maintained for him-
 self and others, high standards of performance which contributed
 materially to the effective achievement of goals.

By this outstanding record, he has reflected great credit
 upon himself, the United States Air Force and the Central Intel-
 ligence Agency. It is requested that this correspondence be made
 a permanent part of his personal records.
